# VISITING YACHT *Guide*

# 2017

## VISITING YACHT POLICY

NOLSC will make every effort to accommodate all visitors in our limited space but sometimes that cannot be done. Therefore, it is necessary to strictly adhere to the following policies.

Visitors are required to pull up to the gas dock for check in, unless they have been given their position prior to arrival.

Unattended visiting yachts that have not signed in may be moved to a location more suitable to NOLSC as determined by club staff and are subject to a surcharge equal to 100% of the per diem fee otherwise payable for each day or part thereof in which the yacht is left unattended.

Guest privileges have been designed, so as to take into account the challenges and opportunities available to NOLSC in light of its unique location.

Niagara-on-the-Lake Sailing Club reserves the right to prohibit entry or terminate a visitors stay whose behavior contravenes the bylaws and policies of the club, or which is harmful or injurious to the interests of the members of NOLSC.

## RECIPROCITY POLICY

Space that becomes available will be available on a first come first serve basis. Members of reciprocal clubs will have their first night free, subsequent nights if needed at a \$1.00/ft charge. Maximum 3 nights per visit. Inside dockage is not guaranteed at any time.

The club staff may position visiting boats about the club to best suit the interests of the Niagara-on-the-Lake Sailing Club.

When leaving, visitors must sign out with the club staff before 10:00 am.

All visitors shall be subject to all the Niagara-on-the-Lake Sailing Club's regulations and policies.
